APPLICATION TO THE COMBINED BACHELORS/MPS CYBERSECURITY PROGRAM

INSTRUCTIONS TO APPLICANT: Submit this form, unofficial transcript, the Accelerated Bachelors/Masters Application (found on the UMBC Graduate School website) and your supplemental statement to your Undergraduate Program Advisor/Director for preliminary review. Then submit your documentation to the Cybersecurity Program for final review.

Last Name   First Name   Middle Initial

Phone: _____   UMBC E-Mail:_____

Students in at least their junior year from *outside* the College of Engineering and Information Technology who have an overall GPA of 3.0 are eligible to apply to the Accelerated Bachelors/MPS CYBR program via the Strategy and Policy option.   If admitted, you may take CYBR 620, 621, 622, and/or 623 to begin your graduate cybersecurity studies while still an undergraduate student. *Non-COEIT students who believe they are qualified to pursue more technical cybersecurity opportunities should contact the CYBR GPD to discuss their interests.*

On a separate sheet, briefly explain why you are interested in the combined BS/MPS program and indicate any particular topics in cybersecurity that interest you. Please restrict your statement to approximately 300 words.
